October offers a great deal of training opportunities for new and veteran leaders.

1. Make sure that all registered leaders have completed the new online BSA Youth Protection Training. This training is mandatory for the protection of our youth members AND our registered leaders. It only takes about an hour. New Leaders cannot be registered without completing Youth Protection Training. All leaders must take the New Youth Protection Training immediately. Any leader who is camping with a unit needs to be registered and have Youth Protection!
2. Position specific is available in several ways including on site unit training by your District Training Committee. Contact your Senior District Executive to arrange for a training team to come to your unit and get everyone prepared to run a top notch Scouting program.
3. Outdoor training for leaders is available through the Council Training Committee at Camp Drake. Basic Adult Leader Outdoor Orientation (BALOO) and Outdoor Leader Skills Training for Boy Scout leaders will all be held the weekend of October 17-18.

*Silver
Beaver
Award*

Honor Outstanding Leadership....

Council, district and unit leaders have the chance to nominate Scouters who set the bar of excellence high. Among several awards, the District Award of Merit is presented by the Districts. Volunteers can also be honored with the Silver Beaver Award, the highest honor a council can bestow on a Scouting volunteer.

HAPPY
Thanksgiving

All Council Offices and Camps will be closed on Thursday, November 26 and Friday, November 27 to allow staff to spend time with their families.

As the year end approaches....

- Attend the November Roundtable to pick up your Rechartering packet and get all the information you need to complete the rechartering process.
- Make sure all of your registered unit leaders are current with Youth Protection Training. The training is good for two years and if not current at the time of rechartering, leaders cannot re-register.
- Take a few minutes to enter your unit Community Service hours into My Scouting. This is an important measurement calculated into your unit Journey to Excellence score and serves as impressive information about Scouting to the community.

Candy Bar Sales

Camp Candy Bar Sales kick off on February 12, 2027. This council coordinated sale is designed for youth members to be able to earn their Camp fees or other Scouting activities for the coming summer. Sales are operated through each Pack, Troop or Crew.

Did you know: The \$85 annual Scouting registration fee goes directly to the national office of the Boy Scouts of America. If a Scout unit collects dues, that money stays with the unit to help pay for supplies, advancements and other activities. None of that money goes to help the Prairielands Council.

Friends of Scouting (FOS) is the annual giving campaign of the Prairielands Council. The FOS campaign provides 25% of the Council budget every year. That means a quarter of every dollar in the council budget comes from the generosity of Scouting families, alumni and community supporters. Without this funding, our council could not provide the resources necessary to provide a quality, adventure-filled scouting program.

Your generous tax-deductible gift to the Prairielands Council, which provides direct funding for Scouting's life-changing programs that program fees alone do not cover, is a statement about your belief in Scouting and helping young people grow into successful adults.
